What's New in Abila netFORUM Pro - November, 2016

General Updates

These are the general updates and improvements to the netFORUM Pro for **November, 2016**. More information is available in the online help.

Updates and Improvements for the New Event Registration Wizard

A new Event Registration Wizard is being developed for use when registering for an event on eWeb.

Important! To preview the new Event Registration Wizard, contact Abila Support to enable the EwebShowNewEventRegistrationWizard system option. This system option is disabled by default. Your System Administrator can then turn the preview of the new Event Registration Wizard on and off by using the Client System Options Setup page. The new Event Registration Wizard now supports event registration for individuals on eWeb and event registrations that require the collection of demographics or that have education credits. Future releases of the new Event Registration Wizard will support group registrations on eWeb.

The screenshot shows the registration wizard interface for a 'HandsOn WorkShop' event. The event dates are Dec 19, 2016 10:00am - Dec 21, 2016 03:00pm. The current step is '1 Registrant Details' with a fee of \$200.00. The registrant's information is as follows:

| | |
|---------------|--------------------|
| Name: | Daniel Fierro |
| Badge Name: | Daniel |
| Organization: | |
| Job Title: | |
| Location: | Maitland, FL 32792 |

There is an 'Add a Guest' button for the Spouse/Guest field. Below the form are 'Back' and 'Next' buttons. The wizard progress shows three steps: 1. Registrant Details, 2. Select Sessions for, and 3. Review Order.

New Event Registration Wizard now Collects Demographics

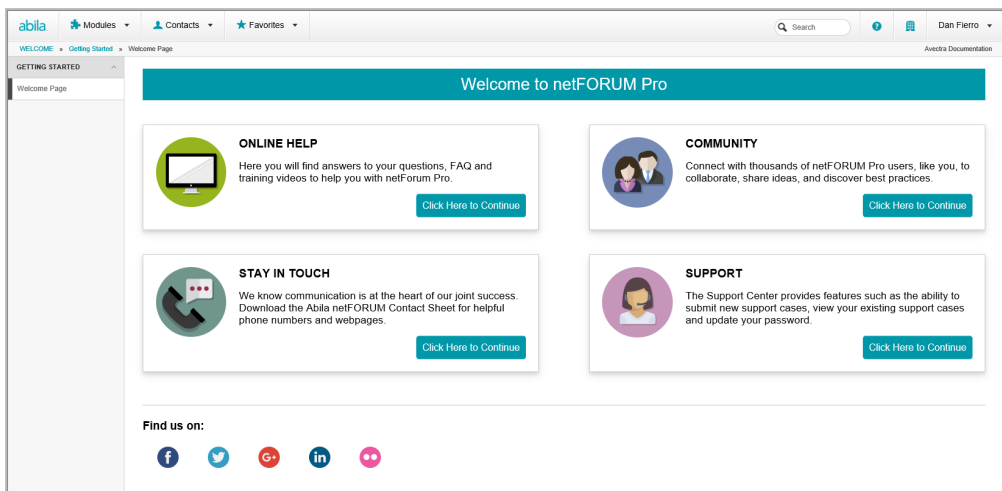

The new Event Registration Wizard now collects demographic information.

New Event Registration Wizard now Supports Event Education Credits

The new Event Registration Wizard now supports events that offer education credits.

New Welcome Page

The netFORUM Pro Welcome page has a new look.
